Ells never use?
Which do your

As...as
Whether...or
Neither...nor
Either...or
Not...but
Also
Not only...but
Both...and
Main idea and details of the story.

Clues can also be found by thinking about the word that is used in the sentence.

Clues can be found by thinking about the clues and the sentences around it too.

Clues are in the same sentence as the new word.

When you use clues in a story to figure out the meaning of a new word you are using context clues.
