Reporting CTE PEIMS Data

Overview
Texas Student Data System Texas Education Data Standards

Effective with 2016-2017 school year, all Texas public schools are submitting PEIMS data via the Texas Student Data System.

The PEIMS EDIT+ system is officially retired.
Reporting CTE PEIMS Data

The Career and Technical Education program PEIMS data is collected through the TSDS system two times per year.
Reporting CTE PEIMS Data

The first time is the fall “snapshot” data submission;
Last Friday in October
Reporting CTE PEIMS Data

The second time is the summer collection when the distinct number of CTE participants in each school are reported for the school year.
Reporting CTE PEIMS Data

CTE PEIMS Code Choices

0 – Student is Not Enrolled In A CTE Course

1 - Enrolled In A CTE Course
A student in grades 6-12 who is taking a CTE course as of the fall snapshot date or completed a CTE course by the end of the school year.

2 - Participant In A Coherent Sequence Of Courses
A student in grades 9-12 who is enrolled in a sequential course of study, which develops occupational knowledge, skills, and competencies relating to a CTE program of study.

The student must have a 4-year plan of study to take 2 or more CTE courses for 3 or more credits.
The term `displaced homemaker' means an individual who:
A. has worked primarily without remuneration to care for a home and family, and for that reason has diminished marketable skills; 
has been dependent on the income of another family member but is no longer supported by that income; or
The term `displaced homemaker' means an individual who:

B. or is a parent whose youngest dependent child will become ineligible to receive assistance under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) not later than 2 years after the date on which the parent applies for assistance under such title; and
The term `displaced homemaker' means an individual who:

TRANSPORTATION-CTE-SUPPORT-SERVICE

(continued)

The Transportation CTE Support Service code is reported with a Yes (Code 1) or No response (Code 0).
Reporting CTE PEIMS Data

5. SERVICE-ID

SERVICE-ID refers to the student instructional services provided by the CTE teachers. This is commonly known as the CTE course Code.
Reporting CTE PEIMS Data

SERVICE-ID

(continued)

For CTE students, the SERVICE-ID reflects the CTE course(s) that the CTE student is taking on the snapshot date (last Friday in October).
The Service ID (course number) is reported from PEIMS code table C022.
The ATC-INDICATOR-CODE indicates a high school course for which college credit may be awarded by a post-secondary institution under the conditions of a local articulation agreement or the statewide Advanced Technical Credit (ATC) program agreement.

ATC = Advanced Technical Credit
The ATC-INDICATOR-CODE is not reported in the Fall Snapshot submission. It is reported in the Summer Submission 3 only and is reported as part of the course completion data.

Keep your eye on this information throughout the school year!
The ATC Indicator Code is reported with a Yes (Code 1) or No response (Code 0) in the Summer submission.
Reporting CTE PEIMS Data

7. Career and Technical Education Attendance Data

School receive additional and weighted funding for the eligible CTE students that are reported with CTE attendance data. CTE Contact hours convert to CTE full time equivalents (FTEs).

Keep your eye on this information throughout the school year!
8. CTE Course Completions

Schools report the courses that a student attempted and completed at the end of the school year. Completed CTE courses are used to tabulate the official number of CTE students for the entire school year.

Keep your eye on this information throughout the school year!
