Patient care is your #1 priority, which is why you are great at what you do!

RN’s, NP’s, ARNP’s in all areas of practice, especially; pain management, hospice, palliative care, geriatrics, neurology, oncology, substance abuse, mental health, physical medicine, rehabilitation and all other healthcare professionals join us on September 29th in Louisville, KY to learn more on the ground-breaking advancements of how Cannabis is offering a better quality of life to patients.

Learning Objectives:
1. Identify the major components of the ECS
2. Summarize the overall function of the ECS
3. Identify various therapeutic actions of cannabinoids/terpenes/cannabis
4. Compare and contrast THC and CBD
5. Describe alternative methods of cannabis administration other than smoking
6. Describe the interaction of cannabis with opioids
7. Describe the legal status of cannabis under your state law & federal law
8. Formulate appropriate patient education on the safe use of cannabis
9. Develop a personal plan as a patient advocate as it relates to the marijuana prohibition

Kentucky Board of Nursing (KBN) Information
6.6 Contact hours will be provided: This offering for 6.6 Contact hours is provided by the Kentucky Nurses Association (KNA). Kentucky Nurses Association is an approved provider of continuing nursing education by the Kentucky Board of Nursing 1-0001-18-050. The KBN approval of an individual nursing continuing education provider does not constitute endorsement of offering content. Must stay for duration of program to be awarded contact hours for continuing nursing education, provide license number or social security number upon registration and complete an evaluation for the program. Partial credit will not be awarded for any session. And we reserve the right to cancel or alter the program if unanticipated circumstances necessitate change.

Kentucky Nursing Association (KNA) Information
KNA will provide CE materials the day of the event.
Materials include:
- Sign in sheet (All attendees MUST sign in and provide a valid email address)
  - KNA will email all attendees an on-line evaluation survey of the program.
  - Attendees must complete the survey to receive a CE certificate.
    - Please allow 3-4 business days to receive certificates.
- (2) Quality Assurance (QA) forms to be given out randomly.
