Dear Parents:

State policy says that students who speak English as a second language and are still learning to master reading and/or writing English may need to take the state tests with certain accommodations. Your student's teachers have recommended that the following accommodations will increase your student's opportunity to participate in the state tests this year:

- \_\_\_\_\_ Reads Test Aloud in English
- \_\_\_\_\_ Student Reads Aloud Test to Self
- \_\_\_\_\_ Scheduled Extended Time
- \_\_\_\_\_ Testing in a Separate Room
- \_\_\_\_\_ Multiple Testing Sessions
- \_\_\_\_\_ English/Native Language Dictionary or Electronic Translator

If you have any questions about these modifications, please call your ESL teacher.

Sincerely,

\_\_\_\_\_  
Principal
